Hi all. FYI, we received the attached correspondence from Delaware Riverkeeper Et al. earlier this week. I am happy to discuss this further with you, as needed. We still plan on providing a response to the April 2022 petition that this group of NGOs submitted. That should happen near the end of the month. Thanks.

Dear EPA team,

We felt it important to share the attached thoughts regarding the communication received from the DRBC.

We anticipate providing a more detailed and technical analysis before you finalize your decision. But in the meanwhile felt it was important to share the attached immediately.

With regards,

Maya
